

WHAT IS DNOW?

It is one of the most exciting and effective events planned for 2024. Disciple Now (DNow) is based on a small group of believers gathered around a central leader who teaches them biblically based ways to live out their lives for Christ.

Groups of 8-10 teenagers will be placed in various homes of church members throughout the weekend of January 11-14th (with a kick-off banquet on Thursday, January 11th). It is within these groups that a leader will teach them what it means to make correct decisions in today's world (Pastor Matt of FBC Killeen writes the curriculum). Many important decisions are made as a result of this special weekend.

If you would like to help by providing a meal, driving students to worship, or providing a scholarship, please see Matt in the foyer or call the main office.
